

Comments about the program from Participants in the 2009-2010 **NExT**

“This program provided insight on things that I didn’t think about happening”

“All of the sessions gave me a better idea of what college will be like and what I should expect”

“ I am more aware of what most people fear in college and how I should be prepared for what will happen and that I need a plan”

“To be secure and proud of who I am and if I need help I have people to contact back home”

“The personal style session and the mission statement workshop were surprisingly accurate and revealing”

“It is a lot of fun and I like being able to share ideas with other college bound students”

“It was good to have a group focused on the challenges and big decisions facing seniors”

“The games were the best part” “.....because it [games] provided hands on learning”
